<Your School> is pleased to provide all students with testGEAR™, an online course designed to help every student achieve high scores on the ACT™.

This year, all <school> students planning to write the ACT can prepare with testGEAR test prep courses. Provided at no charge to students, testGEAR can lead to stronger academic skills, better college admission test performance and possible scholarships!

testGEAR online courses are proven to improve student performance by prescribing each student a personalized study plan based on a brief diagnostic test. Students are guided through up to 60 hours of online instruction that strengthens skills with the subject matter, introduces test-taking strategies and builds confidence with many short practice tests and full-length exams. Best of all, testGEAR can be used at home or at school from any web-enabled computer.

Students intending to write their ACT exam are encouraged to participate in the *testGEAR* course; however, *testGEAR* online courses will also develop stronger academic skills valuable for all students, whether they are writing the ACT exam or not.

Parents should be sure to ask their sons or daughters about taking this new online course for the ACT. If you are interested in learning more about this powerful new online tool, please contact the school at <phone number>
